Exclusive Buyer's Agency

Come discover a fresh approach to real estate. Where there's no question of who your agent is working for. At Coastal Carolina Properties, we only work for the buyer and only keep the buyer's interests in mind. Last year, out of 23 homes, we saved buyers a total of \$337,525, with an average home price of \$311,826. That's an average savings of almost 5% on every home.

Come visit our newest office in Historic Downtown Wilmington. Use our public workstations to browse through the MLS on your own. No hassles or pressures to talk with an agent unless YOU want to. Search for properties on your own time and your own terms. Heck, enjoy a cup of gourmet coffee or espresso while you search. We're here to help, not to hassle.
